Total Amount of the Contract for the Performance Period: \$ 633,000,000.

Period of Contract Performance: October 1, 2013 through September 30, 2014

1. Type of Plan

Individual Contract Plan – An Individual Contract Plan covers the entire contract period (including option periods), applies to a specific contract, and has goals that are based on the offeror's planned subcontracting in support of the specific contract (except that indirect costs incurred for common or joint purposes may be allocated on a prorated basis to the Contract).

This Individual Contract Plan is for FY2014. Brookhaven Science Associates, LLC (BSA) small business goals are set for each fiscal year of the Contract.

2. Goals

BSA has established separate dollar and percentage goals for small business (SB - including Alaska Native Corporations [ANC] and Indian Tribes), small disadvantaged business (SDB - including ANCs and Indian Tribes), women-owned small business (WOB), HUBZone small business (HUB), and service-disabled veteran-owned small business (SDVOB) concerns (hereafter referred to the five small business categories) as subcontractors, as specified in FAR 19.704.

Subcontracting goals for the five small business categories (including ANCs and Indian Tribes) are included in Appendix 1.

Below is an estimate of the principal types of supplies and services to be subcontracted under this Contract, and an indication of the supplies and services planned for subcontracting to the five categories of small business (including ANCs and Indian Tribes) and large business.

Note: The NAICS codes have not been included as the breadth of work subcontracted would require an extensive listing. The Small Business Liaison Officer (SBLO) will work directly with the procurement staff to ensure solicitations of small businesses (including ANCs and Indian Tribes) to the maximum extent possible.

The goals for the five small business categories (including ANCs and Indian Tribes) are based on consultations with the DOE. Potential suppliers will be identified using BSA's current vendor base, and various directories including: System for Award Management (SAM), the DOE-OSDBU Small Business Contacts Database, Women's Chamber of Commerce, The Suffolk County Women's Business Enterprise Coalition (SCWBEC), The Procurement Technical Assistance Center's (PTAC) Database, the Small Business Administration-Small Business Development Center (SBA-SBDC) databases, and sharing the small business databases from the other National Labs, etc. The areas to be subcontracted to each target small business group have been determined by historic references and current needs. Capabilities to provide goods and services are determined on an individual basis.

BSA will ensure timely payment of amounts due pursuant to the terms of its subcontracts with the five small business concerns (including ANCs and Indian Tribes). BSA will use Small Business Set Asides to support the small business goals stated in Appendix 1.

A. Small Business Set-Asides Types:

Small Business Set-Aside (including ANCs and Indian Tribes):

Each acquisition of supplies or services with an anticipated dollar value exceeding the Micro-Purchase (\$3,000) but not over the Simplified Acquisition Threshold (\$150,000) (FAR 2.101) will be reserved exclusively for small business concerns (including ANCs and Indian Tribes) and shall be set aside for small business (including ANCs and Indian Tribes) unless there is not a reasonable expectation of obtaining offers from two or more responsible small business concerns that are competitive in terms of market prices, quality, and delivery.

Construction Set-Asides:

Acquisition of construction estimated to cost \$4 million or less, including new construction, and repair and alteration of structures, shall be a small business set-aside (including ANCs and Indian Tribes). For acquisition in excess of \$4 million, small business (including ANCs and Indian Tribes) will be considered on a case-by-case basis.

Sole Source Procurements:

BSA may award contracts on a sole-source basis to these types of small Businesses (including ANCs and Indian Tribes):

1. Small Business Administration (SBA) certified 8(a) small businesses (including ANCs and Indian Tribes)
2. SBA certified Historically Underutilized Small Businesses (HUB) small businesses
3. Service-Disabled Veteran-Owned Small Business (SDVOB) small businesses

Awards on a sole source basis can be made when the small business (including ANCs and Indian Tribes) is determined to be a responsible contractor with respect to the performance of the contract opportunity; and the award can be made at a fair market price; and the anticipated value of the contract is under \$3.5 million (\$4 million for construction and \$6 million in the case of manufacturing NAICS codes) unless the award is being made to an ANC. There will be no limit on the anticipated value of contracts awarded on a sole-source basis to ANC.

Additionally, a Protégé of any DOE Prime Contractor can be awarded a contract on a non-competitive basis, without the need for a sole source justification for any value.
